CRIMINAL JUSTICE APPLICANT'S RIGHTS

DATE OF BIRTH _____

As an applicant who is the subject of a national fingerprint-based criminal history record check for a criminal justice purpose (such as employment, direct access to confidential criminal justice information, or unescorted physical access), you have certain rights which are discussed below

- You must be provided written notification by Chouteau County Sheriff's Office that your fingerprints will be used to check the criminal history records of the FBI.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of the federal statute, regulation or executive order, or rule, procedure or standard establishment by the National Crime Prevention and Privacy Compact Council.

You may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/identity-history-summary-checks>.

If you decided to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same web address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request that agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make and necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34)

If a change, correction. Or update needs to be made to a Montana criminal history record, or if you need additional information or assistance, please contact Montana Crime Records and Identification Services at doicriss@mt.gov or [406-444-3625](tel:406-444-3625).

Your signature below acknowledges this agency has informed you of your privacy rights for fingerprint-based background check requests used by the agency for criminal justice purposes.
